Dear Members and Friends of the Society:

We are happy to be back from our summer break and to kick off a Fall season full of activities and opportunities to engage with the Society. We have several great events coming up, including our biggest event of the year – the annual Red Mass. Please mark your calendars and be sure to join us!

**September Luncheon with Joseph Ransavick**

Please join us for our lunch on **September 21** with Joseph Ransavick. Mr. Ransavick served his first term as the United States Attorney for the Northern District of California from 1982 to 1990, having been appointed by Ronald Reagan. He was then reappointed by President George W. Bush for a second term, which he served from 2001-2009. In that role, Mr. Ransavick personally prosecuted a number of high profile criminal cases, and oversaw landmark cases in the areas of trade secret theft, espionage, fraud and numerous white collar criminal cases. Mr. Ransavick is also a past recipient of our St. Thomas More Award. He will speak to us about “Law Enforcement in California in the ‘Age of Trump’ . . . What We Need to Know.” We are pleased to announce that **MCLE Credit will be offered for this event!**

Please note the **changed location and the lower cost** for this event. In response to feedback from the surveys, we're trying some new approaches, as well as offering some lower cost events. Let us know what you think!

Please RSVP either by submitting the attached form, responding by Email, or simply emailing our treasurer, André Orythopoulos at [orythopoulos@gmail.com](mailto:orythopoulos@gmail.com). Please also reach out to friends and colleagues who you think might be interested in this topic. All are welcome.
