Dear Members and Friends:

I hope you all had a lovely Easter. As we look ahead, there is much to come for the St. Thomas More Society, including our first annual St. Thomas More dinner and our May luncheon.

First, however, we thank retired Magistrate Judge Maria Elena Jones who joined us for our annual April luncheon at De Marillac Academy. As you can see, we had a great turnout of members and students, and all attendees seemed to greatly enjoy learning of Judge Jones's experiences as a Superior Court Commissioner and Magistrate Judge. We hope to continue our involvement with De Marillac Academy throughout the year.
