Dear Members and Friends:

Summer is here! I hope you all are keeping cool during this unusual hurricane. As the season progresses, the St. Thomas More Society will provide several opportunities to engage with other local Catholic attorneys. First, we look forward to seeing many of you at our first annual St. Thomas More dinner on June 25th, where we will learn about our society's patron saint while enjoying dinner and drinks. With just two short weeks until the big night, please be on the lookout for an invite and additional emails. In addition, we will host a Theology on Tap event later this summer to provide additional opportunity to engage with one another and our faith.

The Society extends a special thank you to Sister Lily Fitzpatrick, our guest speaker for the May luncheon, whose wit and insight into the RCA Cristo Rey Academy made for an especially lively afternoon. Many members and their firms actively support the school and its initiatives for young girls in our community. We hope to advance the Society's relationship with this school in the near future.
